ICSC 2024 - Guidelines for Online Attendance

The online conference will take place on Microsoft Teams. If you have registered for online attendance, you will receive a pdf with links to all sessions. It is not necessary to have a Microsoft Teams account. You can participate via your browser by connecting to the links provided. Each session will open 20 minutes before its start.

As regards the poster sessions, you will receive a link to the pdf of each poster. At the beginning of each poster session, in the virtual room "Poster Presentations" there will be a short presentation of each poster, following the order of the allocated slots. Afterwards, you can join the virtual room associated with each poster and ask questions by raising a hand on Microsoft Teams.
